

TRAFFIC ALERT

The Park Ave Overpass Construction project is underway!

Expect heavy rush hour traffic in both directions. Motorists that need to travel north to Berkley Heights, New Providence, or Rt 78 are urged to plan an alternate route. The following are some suggestions:

Terrill Rd to Rt 22 West, use Somerset St to the
Watchung Circle to access Rt 78 East and West via Hillcrest Rd.
Use Valley Ave eastbound to backtrack to Bonnie Burn Rd
or New Providence Rd if needed.

or

Use Rt 22 East or West as an alternate to Rt 78

TRAFFIC TIP

Save time and avoid traffic congestion on Park Ave by using Terrill Rd
for Rt 22 West or Mountain Ave for Rt 22 East.
